

Load carrier with tip - Park Ranger 2150

Standard equipment:

- Hydraulic tipping** The hydraulic tipping action makes it fast and easy to empty the load carrier with tip.
- Removable sides** The volume can be adjusted with the removable sides.
- Lockable back flap** The back flap can be locked in the horizontal position to allow for the transportation of planks, garden tools etc.
- Stand** The supplied stand allows for simple and quick fitting and removal of the load carrier with tip. One person can therefore easily attach / detach the load carrier with tip alone.

Technical specifications
