

# Rotary/mulch mower 1000

## - Park Ranger 2155e

### Standard equipment:

<b>Tilting for cleaning</b>	The mower can tilt up and rest on two support wheels making cleaning easy.
<b>Stepless height adjustment</b>	Cutting height can be infinitely adjusted via handle on the mower.
<b>Piano wheels</b>	Piano wheels which move the cutter in line with the manoeuvring are equipped with heavy slide bearings in their wheel forks for durability.
<b>Lawn protection screens</b>	The lawn protection screens protect both the blades and the lawn. The screens prevent larger sharp or hard objects from hitting the knives, thereby reducing wear of the knives. The screens also protect the lawn, as you avoid them running down into the lawn if the mower is lowered too much.

### Extra equipment (options):

<b>Mulch mower kit</b>	The rotary mower can be changed into a mulch mower with a cover placed inside the same mowing deck. Mulching creates fine trimmings, which supply the soil with natural nutrients and reduces the need of fertilisers.
<b>Collection mower kit</b>	Rebuild the rotary mower to a collection mower. Collecting the grass trimmings ensures the most professional looking result and healthiest lawn. It is recommended to use the dedicated grass collector for this purpose. Please see separate data sheet for this attachment.

1350 mm

### Technical specifications

#### Dimensions

Length	mm	2800
Width	mm	1100
Height with / without cabin	mm	1987 / 1350

#### Storage dimensions

Length	mm	880
Width	mm	1100
Height	mm	480

#### Weights

Weight with / without cabin <sup>1)</sup>	kg	925 / 785
Payload with / without cabin <sup>1)</sup>	kg	575 / 715
Weight (rotary mower)	kg	90

#### Performance

Ground clearance below mower	mm	80
No. of mower blades	pcs.	2
Cutting speed (tip speed)	m/sec.	77
Cutting width	mm	1050
Adjustable cutting height	mm	30-70
Theoretical mowing area - rotary	m <sup>2</sup> /h	10500
Theoretical mowing area - mulch	m <sup>2</sup> /h	10500
Theoretical mowing area - collection	m <sup>2</sup> /h	8400

#### Max. recommended operating speed

Rotary mower *	km/h	10
Mulch mower (shorter grass) *	km/h	10
Collection mower *	km/h	8

#### Noise emissions

Sound power level LwA (2000/14/EC and DIN EN ISO 3744)	dB(A)	99
--	-------	----

#### CE certified according to EU directive

\* Depends on grass and height.

<sup>1)</sup> Includes: rotary mower 1000 and 75 kg operator.
